

Part-Time Recreational Therapy Assistant - Muskegon

LifeCircles is looking for a part-time recreational therapy assistant to join our interdisciplinary team in Muskegon. LifeCircles provides care to seniors in the community who are in need of medical care and socialization in our day center. We provide activities at our location Monday-Friday 8:00am-4:30pm. The primary purpose of this job position is to provide our participants with routine daily activities and assist in directing volunteers to implement daily activities as directed by the Recreational Therapist or Day Center Supervisor in accordance with the participant's assessment and plan of care. The recreational therapist assistant will be responsible for: setting up equipment and supplies, instructing participants in various therapeutic activities, motivating and encouraging participants in recreation therapy programs by establishing good rapport, providing directions, instructions and adaptations to suit each person's needs. RTA will be responsible for planning activities in conjunction with recreational therapist, charting daily participant activities and varied departmental functions as assigned. Must have high school diploma or equivalent and one year experience with the frail, elderly.
